We herewith present our annual report and also that of the librarian and treasurer.

We acknowledge the receipt of 81 books as will be seen by the librarian's report, gifts to the library.

Through the vote of the town, the generosity of our summer friends and townspeople, we are now located in the academy building, though the half has not been done that must be, to have it secure from the elements, and on a good working basis.

In the matter of repairs, the trustees have had one side of the building re-shingled, the upper room and hall newly plastered and a new floor laid with rifted hard pine, and with the gift of Mr. R. F. Haffenreffer a new door was placed at the foot of the stairs.

Our summer friends, assisted by the Canaan dramatic and minstrel company, and others furnished the funds and painted the woodwork in the library room, hall and stairway, and also to handsomely cover the walls of the room and hall with a green shade of burlap.

The Canaan Street Improvement society re-shingled and painted the belfry on the academy building.

In the matter of furnishings, the juvenile part of our summer friends conceived the idea of a barn party, and successfully carried it to completion, with the proceeds of which they procured and gave to the library, a large bronze, two burner Angle hanging lamp, also 7 large oak armchairs of the old colonial design and a large heavy, quartered oak, made-to-order, library table, with a plate bearing the inscription of the donors, securely fastened upon it.

Mr. and Mrs. A. A. Haggett gave a handsome library desk, a large revolving, office chair and two nice large library chairs, and also a large framed picture.

We feel very grateful for the condition in which our library is today, but there is yet much to be done; more repairs are at once needed upon the building and more furnishings are required. Realizing this, several of our summer people have assured us of some little support in the way of more furnishings, books and interior decorations, providing the town will appropriate a small amount of money for other needed repairs. With this end in view, we have asked the town by an article in the warrant for \$100 with which to extend the repairs on the building.

Respectfully submitted,

Report of the Board of Health.

We believe the people of this goodly old town of Canaan, especially the tax payers, still think their Board of Health acted wisely and well in the measures taken to prevent the introduction of Small Pox from Enfield last winter, thus, perhaps, saving lives, disfiguring for a lifetime, and last but not least, hundreds of dollars.

The health of our people has been unusually good. A few cases of Measles in the spring, one case of Diphtheria (brought from Enfield) and Whooping Cough this winter.

Again we call the attention of all to the law in regard to spitting on the sidewalks; and even in the winter we insist that it is a nasty, filthy habit, spitting tobacco juice in the clean, white snow. After the arrest and fining of an offender for breaking that law we daresay that will be the end of our mention of the subject.

The Board has had about the usual complaints, each one of which has been investigated and settled in a satisfactory manner to all concerned. Our reports to the State Board have all been made according to law.

Influenza has been so prevalent that we believe no one has been slighted, old or young, but we have not heard of a fatal case.

Now that the people living on the borders of Crystal lake have resorted to the use of its water, we feel that care will be taken (on their part) to prevent any contamination in the future.

Respectfully submitted,

E. M. TUCKER, Secretary.
